Dear Mazen,

Please review the response from USCIS below. Your petition is still pending background checks at this time.

If there has been no change after 90 days, feel free to follow up with me and I will contact USCIS again. Best of luck.

Good Afternoon,

Thank you for your follow up regarding your constituent, Mazen Shweika, Form I-130 SRC1790673392.

Your constituent's case is pending security checks. We are unable to determine at this time when the review process for your constituent's Form I-130 will be completed. We are striving to resolve these issues as soon as possible.

We understand that your constituent may be frustrated by the progress of their case. However, USCIS must balance individual inconvenience against broader issues of public safety and national security.

Unfortunately, we are unable to speculate as to how long it might take for this process to be completed. As such you may wish to check back with our office periodically for the latest case status update.

Thank you,

Hi Ms Zeina Djurovski-

I hope you are doing well.

You helped me last year contacting DHS regarding the I-130 that i filed for my wife in August 2017. As you know, the application was transferred in March 2018 to Vermont Service Center. I called DHS in June 2018 with a response that application is pending security clearance/background check. In September you contacted DHS with the same response. You asked me to wait 90 days and if there is no change, you will follow up. I did not receive anything from DHS since that time.

Would you please contact DHS and see what is going on.

I always appreciate your help.
